I also accept donations via the Cash App with either the QR Code or my account name is \$amyshannon1972

VIP "LEGACY" BOOKSHELF

There is only one shelf now. The “Legacy” bookshelf is for “Legacy Authors” (or authors that are sent by a repeat representative, representing a “Legacy Author.” (Once an author has requested their second title to be reviewed, they automatically become a Legacy Author). (A donation of \$30 can move the title to the top of the list (after the first author’s book title(s))

STANDARD “NEW AUTHOR” BOOKSHELF

This bookshelf is for authors that have put in their first request, or from representatives that have requested an author’s title for the first time (for that particular author) (A \$20 donation can put your title at the second position of the bookshelf)

CONSECUTIVE REVIEW:

The new CONSECUTIVE REVIEW process will allow for titles to be reviewed and posted consecutively for a donation of \$20 for up to 3 titles for the author. Normally, if the author has more than one title, once a review is posted, the next title goes to the end of the line. If an author has a title and adds a new one, it goes right under their current title and follows the same process.

For Quick Response Releases:

If the author has multiple books in a series, and the request is for one of the books that is not the first book, Amy's Bookshelf Reviews NOW REQUIRES that all

books that came before it (whether it can be read as standalone or not) be given so the books can be read in order. If there are more than two books before the request for this book to be read, a \$20 donation is required in order to read all the books (up to 5) before this one. If there are more than 5 books in the series before this book, the donation may be of a higher amount in order to read the books before the release date.

For Express Releases:

If the author has multiple books in a series, and the request is for one of the books that is not the first book, Amy's Bookshelf Reviews NOW REQUIRES that all books that came before it (whether it can be read as standalone or not) be given so the books can be read in order. If there is more than two books before the request for this book to be read, the donation amount for the amount of days is doubled. If there are more than 5 books that need to be read before this title, the donation is tripled.

DONATION AS GRATUITY:

Any amount is accepted. No donation pays for a review or the outcome of a review.

DONATION TO “PAY IT FORWARD:”

This donation allows Amy’s Bookshelf Reviews to buy an author’s book so that it may become a verified purchase on Amazon.

EXPRESS RELEASES:

Adds Title to the QUICK RESPONSE Calendar (Release date calendar)

A request for a QUICK RESPONSE calendar position, the request for a repeat author (From the date of request) deadline is 30 days, and for a new author, 40 days before the release date.

REPEAT AUTHOR:

29 days – 8 days before release \$50 (US)

7 days -- 4 days before release \$75 (US)

3 days or less, use the “VIP-Immediate” request (\$100 for review within 3 posting days)

NEW AUTHOR REQUEST:

39 days - 8 days before release \$50 (US)

7 days -- 4 days before release \$75 (US)

3 days or less, use the VIP-IMMEDIATE BOOKSHELF request (\$100 for review within 3 posting days)

Banned Books Donation

If you wish to donate for the purchase of a banned book, use the “Banned Book” donation icon, and one of the banned books on my list will be purchased and added to the end of the Banned Books Bookshelf. Those books are not put on the shelf unless they are purchased (usually by me, when I can).

Update to posting sites:

If the book is listed on the publisher's website, and there is a place for a review or comment area, Amy's Bookshelf Reviews will post there as well, however, there is a small cost. Amy's Bookshelf Reviews will post on the following sites, for the cost of \$5.00 extra per site unless otherwise specified: NetGalley, BookSirens, Google Books, Pinterest,

Smashwords (Cost of Book or use Redemption Code).

Audiobooks on audible require a redemption code or a donation to cover the amount of the audiobook, since it requires a purchase to leave a review.

Amy's Bookshelf Reviews has accounts on all of these sites.

All donations get a free gift as a thank you.

If you purchase a Video Review, you will receive an invoice from “Essence Enterprises.”
